FOR IMMEDIATE RELEASE

CITY LAUNCHES NEW WEBSITE

The City of Fort Bragg has recently launched a new website at city.fortbragg.com. The update is part of the City's contract with Civic Plus which provides for a free redesign and overall refresh five years from the launch of the original website.

City staff have been working expeditiously to ensure the content throughout the website is relevant and up to date. Every City department played a key role in launching the new site.

The goal of the new website is to provide a cleaner overall look as well as easier access to the areas of the website the public uses most. Updates will continue over the next few weeks.

If you see any areas of the website which may need special attention or have general comments and suggestions about the new site, please email webmaster@fortbragg.com.

Questions regarding this information should be directed to Scott Schneider, Administrative Services Director, at (707) 961-2843.
